SUMMER EXCHANGE EXPERIENCE 2012

INTERNATIONAL STUDENT EXCHANGE - ONTARIO, a registered not for profit organization, is working in collaboration with long standing exchange partners in Europe to offer the best possible programs to the greatest number of students at the lowest possible cost. Among these programs are reciprocal SUMMER EXCHANGE EXPERIENCES with a partner in France, Spain, or Switzerland. Participating Ontario students spend three or four weeks away, and three or four weeks hosting their exchange partner. These programs are opportunities to enhance language skills, to experience another culture and way of life, and to share family and summer holiday activities.

PROGRAM INFORMATION AND TIME LINES

Completed applications submitted by **March 31** will be given first priority; applications will then continue to be accepted as long as places remain available. Applicants should receive the file of a proposed partner by **May 31**. Upon acceptance of the match and after a one week wait, students may begin communication with their partner.

Ontario students will receive a Program Handbook with advice on how to be a welcome guest and a good host, tips for packing, spending money etc, as well as Insurance information and an ISE carry-on sports bag.

FRANCE and SPAIN	Ontario students are away during the month of July (four weeks), and host their exchange partners during the month of August.
SWITZERLAND (<i>French Language</i>)	Ontario students are away for three weeks from the beginning of July, followed by three weeks of hosting to mid-August.

Students will travel as a group with Ontario escort(s), departing from Pearson International Airport in Toronto. Upon arrival in Paris, the group will have a one-day bus and walking tour of the major sites. Some students will meet their exchange partners and families at the orientation site the following morning; all others will travel by train or flight to their final destination.

• Participants will return to Ontario with their exchange partners and will be met at Pearson International Airport by the Ontario families. The visiting students will meet again at the airport on the day of their departure for their flight back home. Confirmation of all travel dates will be sent with the proposed partner's file.

A valid passport is required for all international destinations. Canadian passport applications are available at postal outlets; the completed application should be submitted to a passport office allowing at least eight weeks for processing. A visa is not required, however students who have a non-Canadian passport must contact ISE regarding additional documentation.

APPLICATION PROCEDURES

The application form must be fully and carefully completed according to the instructions, and submitted to ISE along with the original copy of the Request / Recommendation Form. Students should keep a copy of their application.

• Applications submitted to ISE ONTARIO by **March 31** will be given first priority for placement.
